

Who Should Attend?

The PICP Specialist Course is designed for contractors who are presently doing residential and/or commercial segmental paving projects or who wish to move into the permeable interlocking concrete paver market. The companies might already be installing permeable pavement, or are aiming to expand into the permeable pavement market.

Participants should be experienced contractors, with experience in concrete paver installation. There are no pre-requisites for attending the PICP Specialist course; however we do recommend that participants have previously completed the ICPI Concrete Paver Installer course.

Why Should You Attend?

Knowledge:

Industry professionals share knowledge of industry guidelines, practices, and advances applicable to the construction of interlocking concrete pavement systems.

Recognition:

Participants will receive a Record of Completion upon successful completion of the course and exam, and a designation is available for additional recognition.

On-going support:

ICPI reinforces your knowledge by making available technical literature, guide specifications, marketing support, website listings, press releases, and opportunities for professional development.

Disclaimer and Understanding

The Interlocking Concrete Pavement Institute ("ICPI") Concrete Paver Installer Programs are intended to communicate industry guidelines to paver installers on estimating, planning, and executing residential and commercial projects and to educate individuals in applicable construction and general business practices.

ICPI recognizes only that a Record of Completion awarded to a participant conveys that the participant has completed the required course of instruction and earned a passing grade on the examination administered by ICPI at the conclusion of the course. For a participant obtaining ICPI Concrete Paver Installer certification or designation status, ICPI recognizes only that the certificate holder has earned a Record of Completion and has also met the minimum amount of installation experience required by ICPI. ICPI exercises no control or direction over certified concrete paver installers and does not in any manner endorse, guarantee, or certify the performance or quality of services rendered or products used. **ICPI further disclaims any and all liability for injuries or damages to persons or property or for monetary damages arising out of or resulting from the failure of performance of services rendered or products used by an installer holding an ICPI certification or designation.**

Cancellation Policy

Registrants who provide written notice of cancellation at least seven days in advance of the course start date shall receive a refund less a \$75 administrative fee. No refunds will be made for not attending or if notice of cancellation is received seven (7) days or less of the meeting starting date except in cases where participants cannot attend due to inclement weather. In such cases, the Executive Director may waive the seven (7) day notice requirement at his/her discretion. Substitutions shall be permitted from the same company at any time prior to the meeting start date without penalty. For registrants wanting to transfer to an alternate program, a \$25 administrative fee shall apply. Credit balances must be used within a one-year period for future programs. ICPI is not responsible for expenses incurred due to cancellation of program.
