Help us put a few more BOOTS ON THE GROUND!

At the Alliance, every gift delivers lasting impact! We are hard at work every day focused on projects that make a real difference improving and restoring the water quality of the Chesapeake Bay and its watershed rivers and streams.
Dear Friend of the Chesapeake,

This is a special year! The Alliance for the Chesapeake Bay celebrates its 45th anniversary!

As I look back at the strong partnerships we have built and the innovative programs we have developed, nothing is more meaningful to me than the on-the-ground results we have achieved, the local leaders we have inspired, and the impact we have made rallying environmental stewards. No other environmental group in the Chesapeake watershed can post the on-the-ground results the Alliance can!

Year after year, the Alliance has placed its focus squarely on getting things done for local streams and rivers, for forests, for the Bay -- and for communities, farmers, landowners, and businesses across the Chesapeake region. The Alliance staff are at their very best when they can get their hands dirty and put their boots on the ground.

We are working every day planting trees, cleaning streams, building rain gardens to reduce stormwater pollution, educating citizen scientists, creating green jobs, rallying businesses, and building partnerships with local communities, governments, houses of worship, and other watershed groups to expand our restoration efforts.

Your donation makes you a partner in this critical work!

When you support the Alliance, you will know that your contribution is putting boots on the ground across all 6 Bay states and in DC making a real difference for the Chesapeake!

But there is still much to do. If you love the Bay and its forests, rivers, and streams, please help us to continue our work to protect and restore our beloved Chesapeake for generations to come.

Please Donate Today! Together, we will get the job done!

Albert H. Todd, Executive Director
