

Jeffrey G. Smith

Director of Corporate Environmental Services
Perdue Farms, Inc.

Jeff graduated in 1981 from Towson State University with a Bachelor of Science degree in Physical Geography/Environmental Planning and received his MS in Environmental Sciences from The Johns Hopkins University in 1997.

Jeff joined Perdue Farms, Inc. in 2007 and is currently the Director of Corporate Environmental Services in Salisbury, MD. Prior to coming to Perdue, he spent eight years as Environmental Manager for Mountaire Farms. He also served in various environmental, health and safety capacities including EHS Manager in the aerospace industry and started his career with the State of Maryland, first at the Health Department in St. Mary's County before moving to the Maryland Department of the Environment in Baltimore where he held various regulatory compliance positions including Section Head of Industrial Discharge Enforcement.

Jeff has been the primary Alliance contact for all Project Clean Stream activities over the last 5+ years and has helped to establish PCS as a corporate-wide initiative. Jeff is a Maryland native and currently resides in West Ocean City, Maryland.
