Sponsor a Site for Project Clean Stream

People care for what they know and love. In the effort to restore our waterways, the Alliance for the Chesapeake Bay looks to make that connection through Project Clean Stream, a day of action where individuals work together cleaning trash from their local streams and outdoor spaces.

For small businesses, Project Clean Stream is a great way to engage your employees and showcase your company’s commitment to a safer and more beautiful community. We encourage you to support Project Clean Stream by hosting a cleanup site this spring. Every sponsorship will strengthen our commitment to connect people to their local rivers, making a lasting impact on the Bay and people’s lives.

Local Sponsorship Form

<table>
<thead>
<tr>
<th>Friend Sponsor - $500</th>
<th>Site Sponsor - $100</th>
</tr>
</thead>
<tbody>
<tr>
<td>Establish 5 new cleanup sites local to your company, reaching 200 new citizen volunteers.</td>
<td>Get a new cleanup site on the ground, engaging new volunteers in a new community.</td>
</tr>
</tbody>
</table>

All sponsors are listed on the Project Clean Stream website with a link to the company’s site, are recognized in social media outreach, and receive the right to use the Project Clean Stream & Alliance for the Chesapeake Bay’s logo in outreach and messaging with approval.

Because together we can get the job done!
