RIVERSMART REWARDS SIGN-UP SHEET

As a participant in the RiverSmart Rebate Program, your rain barrel may qualify your property for discounts on two water and sewer utility fees: the District Government’s Stormwater Fee and DC Water’s Clean Rivers Impervious Area Charge (CRIAC). With your approval, DOEE can auto-enroll your property for discounts via RiverSmart Rewards. Qualifying properties would receive up to 55% off the Stormwater Fee and up to 4% off the CRIAC. Enrollment is done quarterly and properties must re-enroll every three years. More information about RiverSmart Rewards can be found at <http://doee.dc.gov/riversmartrewards>.

OPT-IN:

In order to participate in RiverSmart Rewards, I _____ (name of DC Water account holder) agree to:

1. Allow DOEE to enroll my property in the Stormwater Fee and CRIAC discount programs;
2. Allow DOEE to inspect the qualifying green infrastructure practices as part of the discount award process;
3. Maintain the qualifying green infrastructure practice over the course of the three-year discount period;
4. Inform DOEE if I remove, alter, or stop maintaining the rain barrel; and
5. Grant DC Water permission to share information with DOEE about my water and sewer account.

I understand that DOEE will calculate my discount rate based on the green infrastructure practices reported on this rebate application form and that if I have additional green infrastructure, I must submit a separate RiverSmart Rewards application to DOEE so that my discounts reflect all of the green infrastructure on my property. Contact DOEE for instructions on how to report existing green infrastructure for discount consideration.

I have read, understand, and agree to the terms and conditions listed above.
