Celebrating the Bay

The Alliance for the Chesapeake Bay annual gala, the Taste of the Chesapeake, recognizes environmental leadership, showcases our work for Bay restoration and helps raise critical funds to support our projects across the Chesapeake.

The Taste is a hallmark celebration of local food, drink, music, and our partnerships! We are excited to offer unique benefits and opportunities for special recognition for our Taste sponsors.

Together, we will get the job done!

The Alliance has been trusted nonprofit focused on leading, supporting and inspiring local action to restore and protect the lands and waters that ultimately determine the health of the Chesapeake Bay.

We deliver innovative and collaborative programs like Chesapeake Forests, Project Clean Stream, and Businesses for the Bay.

Our programs plant trees, clean up local streams and rivers, conserve forests, reduce stormwater pollution, build environmental stewardship, and educate and support our many diverse partners including local communities, governments, and businesses in their environmental projects.
Become a Taste Sponsor!

Everyone has an important role to play in improving the water quality of the Bay, its streams and rivers. Your Taste sponsorship supports the Alliance’s restoration work in local communities throughout the Chesapeake watershed.

Please consider becoming a 2016 Taste sponsor.

You can complete your sponsorship and learn more about the Taste and Alliance online at allianceforthebay.org/taste-sponsor or call: Mary-Angela Hardwick at 443.949.0575.
