

## Preliminary site coordinates of non-traditional monitoring groups

**Major basins**

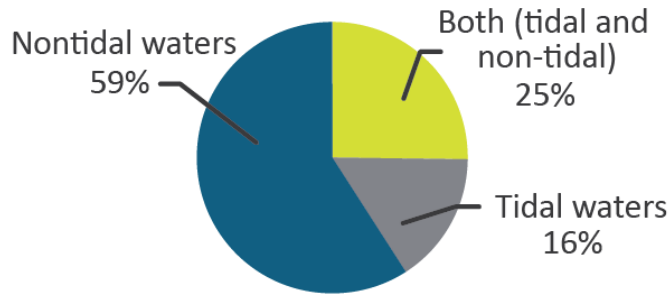

- Susquehanna
- Potomac
- James River
- Rappahannock
- Patuxent
- Western Shore
- Eastern Shore

Preliminary site coordinates of  
non-traditional monitoring groups  
06/21/2016

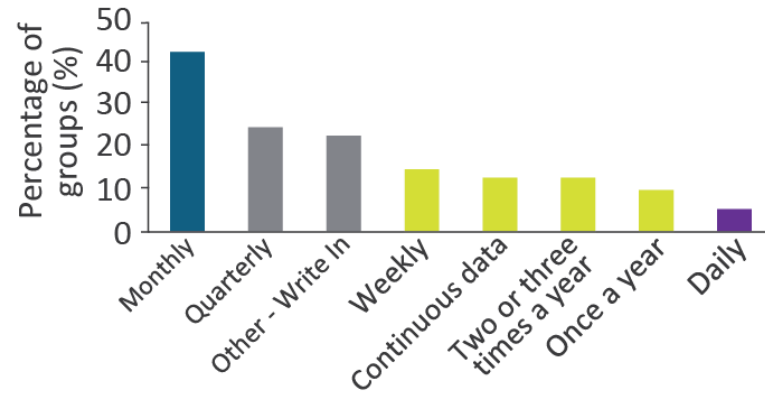

100 groups responded to the survey. Percentages can also be read as number of groups.

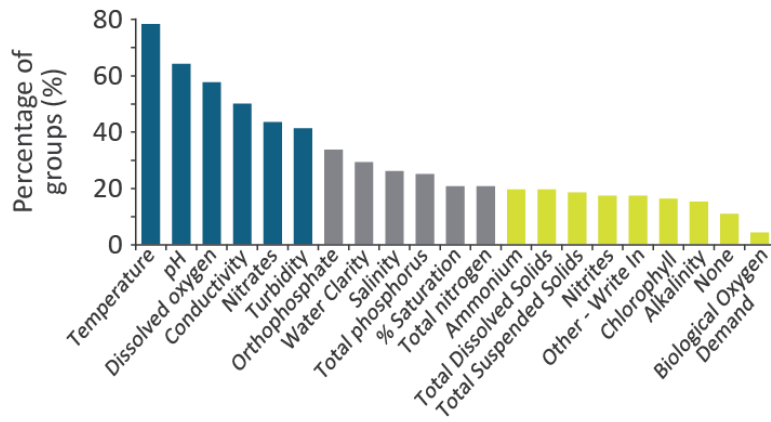

### Where do you monitor?

### How frequently do you monitor?

### What physical and chemical parameters do you monitor?

### What biological parameters do you monitor?
