

WILD & SCENIC[®] FILM FESTIVAL

where activism gets inspired

2022 SPONSORSHIP OPPORTUNITIES

ABOUT THE 2022 WILD & SCENIC FILM FESTIVAL

Since 2019, the Alliance has brought communities in Maryland, Pennsylvania, Virginia, and Washington, DC together by hosting the Wild & Scenic Film Festival in all four regions on the same night. **In the peak of winter, the Film Festival provides warmth, inspires action, and raises hope.**

The 4th Annual Wild & Scenic Film Festival brings together incredible selections of films that inform, energize, and ignite solutions and possibilities to restore the earth and human communities while creating a positive future for the next generation.

And this year's virtual film program is bound to awe and inspire.

Film Festival attendees can expect to view films that celebrate our planet and share inspiring stories about conservation, adventure, activism, and fun. The Alliance's CEO, Kate Fritz will reflect on the Alliance's 50th Anniversary in 2021 and share insights on Alliance goals as we look forward to the next 50 years of watershed restoration. The Film Festival will also take time to showcase important program and project updates across the Alliance's four program areas of [Forests](#), [Agriculture](#), [Green Infrastructure](#), and [Stewardship & Engagement](#).

The Alliance's **virtual** Wild & Scenic Film Festival provides the opportunity for **viewers across the Chesapeake Bay watershed (and beyond!)** to come together and create a groundswell of action towards healthier lands, waters, and communities across the watershed as we **look forward to the next 50 years of watershed restoration.**

FILM FESTIVAL SPONSORSHIP IMPACT

By sponsoring the Wild & Scenic Film Festival, your brand will reach dedicated and energetic communities across the Chesapeake Bay watershed. Since 2019, the Alliance's Film Festival has brought together over 800 attendees of all ages who are passionate about conservation efforts to restore local rivers, streams, and wildlife habitats.

Examples of the projects you can support are:

- Planting trees and managing forests
- Implementing conservation landscaping practices to reduce polluted runoff
- Installing best practices on rural farmlands that improve local water quality
- Educating and engaging communities of how they can get involved in environmental stewardship
- Build more resilient communities and landscapes

We hope you will support the Alliance and our efforts to inspire communities to be a part of improving the lands, rivers, and streams of the Chesapeake Bay watershed by becoming a 2022 virtual Wild & Scenic Film Festival sponsor!
